Virtual Fellowship Information Networking Day (FIND) September 23rd, 2026, Frequently Asked Questions

What will FIND look like this year?

FIND will consist of two completely virtual parts. Part I, the Information Session, will take place via WebEx on Wednesday, September 23rd from 6:00 PM ET to 9:00 PM ET. Part II will consist of virtual Networking Sessions with all recruiting sponsor companies from Monday, September 28th to Thursday, October 1st and from Monday, October 5th to Wednesday, October 7th. More details regarding the virtual Networking Sessions will be shared during the Information Session on September 23rd, 2026.

What will the Information Session look like?

The Information Session will take place via WebEx on Wednesday, September 23rd from 6:00 PM ET to 9:00 PM ET. Candidates will be asked to mute their microphones. The session will be recorded and posted on the RPIF website for viewing at a later date. A flyer with the agenda will be shared via RPIF social media outlets (LinkedIn, Facebook, Instagram) and on our website in August.

What do I need to prepare for prior to the Information Session?

Come prepared with any questions you may have, *otherwise* no further preparation is required prior to the attendance of the Information Session.

Because FIND is virtual, will I be able to network with my companies and positions of interest?

Yes, candidates will still have the opportunity to network virtually. During the Information Session on September 23rd, candidates will receive more information on how to register for Networking Sessions that will take place from September 28th – October 7th, 2026. The FIND Committee will also outline best practices and expectations for virtual networking during the Information Session.

How do I sign up for the Information Session?

Registration for the Information Session will open on August 20th at 12:00 PM ET. Registration is only open to those who will have their PharmD by July 1, 2027.

Candidates will be asked to provide their contact information, functional areas of interest, and will have the opportunity to submit questions in advance.

How do I sign up for the Networking Sessions?

Registration for the Networking sessions will open following the Information Session on September 24th at 12:00 PM ET. More information on the process of registration will be shared during the Information Session. You will be able to view the sessions you have registered for on the RPIF website once you log in to your account (i.e., company, function, date, time, and dial-in information).

How many Networking Sessions can I sign up for?

Information regarding the various functions will be provided during the Information Session to help you determine which functions you're interested in. Candidates may register for no more than ten networking sessions total. Registering for more than ten sessions may result in **cancellation of all your sessions**.

Where can I learn more about recruitment for RPIF this year?

The Fellow Recruitment Committee will be presenting on this topic during the Information Session and you can always check our website and social media (LinkedIn, Facebook, Instagram) for further information on RPIF recruitment.

How can I research the positions I am interested in prior to the Networking Sessions? Company brochures will be updated and available on the RPIF website. The brochures are great resources to learn more about the companies and positions which you are interested in. Sponsor company websites and the FIND Information Session are good resources as well.

What if I am unable to sign up for all the Networking Sessions I am interested in? Registration will be conducted on a first come first served basis, and a great deal of helpful information is provided on our website and during the Information Session. We highly recommend planning in advance which companies / positions you are interested in networking with.

Where can I get more information on RPIF?

You can visit the RPIF website at <https://pharmafellows.rutgers.edu/> or follow us on our social media outlets (LinkedIn, Facebook, Instagram).
